Headteacher Lynn Harrison

9th November 2016

Dear Parents,

As part of our 4-year World War I remembrance project Tullie house have offered the school a special learning event. They will be visiting school tomorrow and delivering assemblies to the whole school. Class 3 will then be visiting them at Tullie House next Thursday (17th November) for follow up workshops. The experience is titled: Carlisle in the Great War and Remembrance. As part of the visit we will also be visiting the Museum of Military Life (situated in Carlisle Castle).

This is an all day visit, leaving shortly after 9am and returning in time for the end of the school day. The children will have a packed lunch provided for them. They need to wear school uniform t-shirt and jumper but may wish to wear more comfortable trousers and shoes. We will be outside for a short while so it is essential that they bring a coat.

The cost of the trip is £7.50; please could you return this along with the permission slip below by Wednesday.

Many thanks,

Simon Bulmer

I give permission for _____ to visit Tullie House on Thursday 17th November.
