Dear Parents,

As the weather is ever changing please ensure your child has clearly named wellies, waterproofs and a coat in school at all times. If they do not have these items in school they may end up missing out on playtimes. As you know we like to make as much use of the field as we can, even when it is wet and muddy! Cheap waterproof trousers and a thin waterproof overcoat will be fine. If your child puts these on over their school coat it will protect them from the mud and significantly reduce the amount of washing you will need to do at home! Last year when we used the playground for a week, we had more casualties in that one week than over the whole year on the field!

Following feedback from the parent's questionnaires; school has investigated the possibility of providing all children with all in one boiler suits, however the cost is prohibitive (in excess of £35.00) and in reality I'm not sure how many of the older children would want to wear them!

Thank you for your co-operation with this matter.

Yours sincerely,

Lynn Harrison
