Dear Parents,

In the list of dates previously sent out, we planned to hold Class One's Assembly on Tuesday 26th of June. Unfortunately, due to a number of reasons, this can no longer take place on that date.

The new date for Class one's assembly is **THURSDAY 5th July at 9.15am**

I can only apologise for any inconvenience the change of date may have caused and hope that you can still come to see some our fantastic work!

Yours sincerely
