

Spring/Summer PTA letter

With another year flying by the last half term has a few exciting things ahead. The school fair will be held on June 26th our theme is the Queen's Birthday so we look forward to seeing lots of dressed up kings and queens for the fancy dress. We have lots of exciting stalls planned but do need some help in manning stalls. There will be a little competition for best decorated stall this year, but help is available for those who don't wish to take part. Stalls that need staffing include BBQ/Bar, plants, games, welly wanging, ice creams, bottle stall, and the "money winning" games. Please see any of the committee if you can help.

We are also planning a "best in show" tent with prizes for adults and children. The adults section will include best jam, Victoria sponge and flower arrangement. Everyone is invited to have a go. The children's categories will be announced soon.

If you can help us with good quality books, plants, cakes, raffle prizes or bottles for the stalls your support would be much appreciated.

The last event of the year will be the summer camp out. This is a brand new event to be held on Friday July 15th and we will release final details soon. We hope that as many families as possible will be able to join us for a camp out bbq and a few games for a fun social event to end the school year. Those who are canvas-phobic will have an option to join in too.

All the money raised by the PTA goes to the school. This year we have bought reading books, science equipment, contributed towards the residential trip, paid for a theatre visit for all pupils at Christmas and again next term. We also asked the school that we could provide a trip for all the children. The staff have chosen Walby to fit in with their own curriculum plans to celebrate British values as part of the Queen's birthday. The entire cost will be met by the PTA. Rain or shine the school will have a fabulous time I am sure. We have kept some money back to help with expected IT costs next year helping to ensure continuity in the high standard of IT provision in the school, then the kids can continue to help us at home!

Thanks for your continued support
