# Questionnaire

Let's face it, if parents, grandparents and other family members don't come to PTA events, we wouldn't get very far.

We would love your feedback and ideas for events that you love, those that leave you cold and what you'd like to see more of less of for the year ahead. Please fill in the questionnaire and return to school as soon as possible. We'd love to involve you in your ideas but if you wish to remain anonymous, that's fine too

Thanks for your support
