TOTAL : £2637.06

Money spent Autumn term

on staging; Panto; Christmas Party; resource, reading and phonic books as well as administration costs

TOTAL : £1817.18

After discussions with staff regarding school needs, the PTA will be purchasing science resources for every class. We have also agreed to pay for an out of school trip for every child, as well as a whole school end of year treat. 5 years ago the PTA raised money for new ICT equipment. This will need to be upgraded at some point in the 12 to 18 months with potentially other large expenses ahead. Therefore, a proportion of the money raised this year will be reserved to help meet these costs. The majority of money raised will still be spent this academic year to benefit all the children currently in school.

Can you help?

We are always looking for ways to raise money that doesn't mean asking parents for cash. In the past some parents have been able to access match funding from the companies they work for. If you could help in this way we'd be extremely grateful.

We would also like to access grants and trusts. If you have any experience that could help us please do let one of the committee know. Thanks
