Summer Camp Out

Friday 15th July

The governors had a few health and safety concerns which will need addressed and a risk assessment carried out. A path to the toilets would need lit up. The possibility of holding it somewhere other than the school field will also be looked into. All neighbours around the school field will be informed. We will also draw up a list of site rules.

This will be open to all families with children in school. If anyone doesn't want to camp then they can still come for the BBQ and games. There would be an 11pm curfew with non-campers going by 10pm

The idea would be to have a game of rounder's and similar games, have a camp fire and ask Tony if he would do some story telling. There will be a BBQ and you can bring whatever drinks you like.

Emma C got a price of £70 for a portalo.

A decision will be made in the next week and if we decide not to go ahead with the camping we will still do a BBQ and Games on the school field.

Grand Draw

Emma S and Fiona are to write to local businesses for prizes.

New Term Social

This has been planned for Friday 23rd September in school.

AOB

Air Ambulance Collection will be booked for November.

The Date of next meeting Monday 10th October at 7.00pm in School. This will be the AGM
