Dear Parents,

We wrote to you on 2<sup>nd</sup> July 2019 to advise you of several incidents of dog fouling upon the school field.

Unfortunately there has been a further incident, with dog mess having been found underneath the smaller of the two climbing frames this morning whilst the children were out enjoying their morning break.

As you can appreciate, we cannot simply allow this to continue to happen for the safety and welfare of the children and everyone else using the field. Can I ask the local residents if they could be extra vigilant and report any sightings of dogs upon the school premises?

If this happens on a future occasion we will have no other option than to contact the dog warden.

Yours sincerely

*Lynn Harrison*
