## Summer Social (BBQ) and Grand Draw – Friday 12<sup>th</sup> July 2019

It's not long until we break up for summer! Please hand in your summer social (BBQ) forms and monies into reception by Monday 8<sup>th</sup> July so we have some idea of the numbers involved. Would you also return any grand draw tickets and outstanding monies to reception by this date. Some parents have said that they did not get a copy of the last newsletter. If you are one of those please contact Mrs Lawson and she will print one off for you, or visit the website and click on the PTA menu. Scroll down to the PTA Newsletters box on the right hand side and click on Letter\_08-06-2019.

## DIY SOS

Thank you to those of you have already committed in some way to the DIY SOS event planned for this summer. The order of priority for the works is as follows:

1. Hall
2. Reception
3. Class 3 & Cloakroom
4. Classes 1 and 2

The amount of decoration we achieve will be wholly dependent on who can do what and when but I am hoping we can complete the Hall, Reception and maybe Class 3. Many of you have asked if we can come up with a set of dates rather than committing blindly so please find below possible dates: (we can change around if not suitable for most)

**Sat/Sun 20/21 July:** We hope to complete most of the prep work this weekend so the majority of the work will be replacing the plastic kick board in the hall with MDF panels, sanding, filling and cleaning ready for the paint. If all goes well, we should be able to start the painting in reception and possibly Class 3. I think the hall may take a little longer to prep.

**Mon/Tues 22/23:** The Monday and Tuesday are inset days for the staff so the school will be open but we do need to be aware that the staff still need to work.

**Sat/Sun 17/18 August:** I would expect the main painting to happen over this weekend and hopefully we can finish off the wood work to allow the smell to dissipate before the children are back in school.

Mrs Harrison has said she will be as flexible as possible so if it would be easier for you to plan your own timeslots and pick up a key from somewhere then this can be arranged. Hardly anybody mentioned childcare as an issue so I have not factored this in although the children are able to play on the field. I will leave a schedule of works in reception so you can see what has been done and what is left to do.

As you can imagine, the logistics are going to be tricky so if you can give me some idea of which date works best, morning, afternoon, full day or if you would prefer to pick up a key and do what you can, when you can. I will be in touch either on the What's App group or by email.

Don't forget to register Irthington Village School and shop at <https://smile.amazon.co.uk>. I have raised £1.79 so far, it's like watching one of those fund raising thermometers go up.

Once again, thank you for all your efforts this year, have a lovely summer and hope to see you at the BBQ and DIY SOS.

Thank you
